

**To Whom It May Concern**

**04/09/2020**

Dear Sirs

**Subject : EMDP**

This letter confirms that Mokveld Valves, who manufacture Choke valves, Control valves, Check valves and HIPPS have a exclusive agreement with EMDP for the Kashagan EP Offshore Project.

We hereby confirm that we will provide full support, both technically and commercially for NCOC and the specific HIPPS enquiry.

This agreement is reviewed on a project by project basis.

Contact details:-
